September 5, 2017

Dear Junior and Parents:

Junior year is a year full of expectations: maintaining good grades, performing well on standardized tests, and managing the added pressure of searching for colleges can be overwhelming for any student. We want you to know that the school counselors are here to help.

Our Counseling staff will be meeting with juniors after the winter break to formally review the college search process and provide assistance with their post-secondary planning. In the meantime, here a few upcoming programs that we highly recommend you and your junior attend to help you get started:

- **The Annual Morris County College Fair is taking place on Sunday, September 17th at the County College of Morris from 12-3pm. Over 150 colleges will be represented.**
- **The Passaic County College Fair will be held on Monday, September 25th from 6:00-8:30pm at William Paterson University. Over 100 colleges and universities will be represented.**
- **The PSAT's will be taking place at PHS on Wednesday, October 11th in school for all juniors. Registration will be available online via the PHS website in the beginning of October. More information to follow.**
- **Junior Parent Night will be held on Wednesday, January 17th at 7:00pm in the PHS Auditorium.**

The School Counseling Department looks forward to working with your children as they plan for their post-secondary educational futures. For even more information, check out the link for 11th graders on the PHS website under School Counselors for a month-by-month timeline for junior year. If you have any questions, please don't hesitate to contact your child's counselor.

Sincerely,

PHS School Counselors
