September 2018

Dear Parent/Guardian and Senior Student:

We have finalized the location for our 2018 **Project Graduation Celebration**. As you may know, this event was established to prevent accidents caused by alcohol or chemical abuse. We are asking for your support for its continued success.

As the graduates gather at PHS in the evening, we will be providing them with pizza and beverages. Once at the facility, we will begin the evening with a Comedy Hypnotist. Activities currently include volleyball, basketball, swimming, ping pong, roller skating, ice skating, air hockey, foosball, arcade games and billiards. Other entertainment provided will include karaoke, Casino Games and a photo booth. Attendants will also receive a T-shirt designed by one of their peers. There will be a constant supply of food and drinks throughout the evening and a continental breakfast will be provided. Students will return to PHS around 5:30 AM. We are also providing a brunch in the late morning before the last graduation practice.

It is our intent to have as many seniors as possible attend Project Graduation. Because this event costs about **\$125 per student** we do fund-raising and rely on community donations to reduce the individual burden. We are asking that parent/guardian and senior students complete the attached contracts and return it with a **minimum payment of \$60 ASAP**, this will cover all of the expenses for the evening, including transportation. If there are circumstances in which the **required minimum is not affordable, please contact the school nurse**. She will ensure that payment need not be made and your situation will remain confidential. Please make your check payable to "**PHS PTSA Project Graduation**" and mail it to:

**PHS PTSA Project Graduation**  
c/o Amy Gripp  
43 Reynolds Ave  
Parsippany, NJ 07054

**There will also be in school sign ups on May 17th, 2018 and May 18th, 2018. Students signing up after that date will have to pay an additional fee of \$20.00 (total cost \$80.00) and will not be guaranteed their choice of shirt size.**

Please read the contract carefully. Understand you are signing an agreement to help keep this event chemical free by guaranteeing your availability to pick up your child if necessary. We consider Project Graduation a very important event and we request that you schedule your graduation celebrations around this date. Some of your student's favorite faculty members will be there chaperoning and there will be plenty of time to sign yearbooks. Please encourage your child to attend this party that offers the **Class of 2018** a chance to celebrate safely together!

Sincerely yours,

PHS PTSA Project Graduation Committee
